

Dongjiang River - An Inseparable Bond, Our Blessed Origin

To commend the school-sponsoring bodies, principals, teachers and students for their enthusiastic participation in the celebration activities as well as efforts and contributions in promoting water conservation, the Water Supplies Department held the Celebration of the 60th Anniversary of Dongjiang Water Supply to Hong Kong Colouring and Drawing Competitions and Cherish Water Campus Award Ceremony in the Hang Hau Community Hall on 18 December 2024.

The Ceremony presented over 220 awards under the theme "Dongjiang River - An Inseparable Bond, Our Blessed Origin", including the awards for Celebration of the 60th Anniversary of Dongjiang Water Supply to Hong Kong Colouring and Drawing Competitions, as well as gold, silver, and bronze awards for outstanding schools of the Cherish Water Campus in 18 districts.

Speaking at the ceremony, Mr Roger WONG, "Cherish Water Principal" , said that due to severe droughts, stringent water rationing measures were implemented in Hong Kong in the 1960s, with only four hours of water supply for local people every four days during the most severe period. The country's timely support to complete the Dongjiang-Shenzhen Water Supply Scheme within about one year with the mobilisation of a large amount of manpower and resources - enabling an uninterrupted Dongjiang water supply to flow into Hong Kong - helped the city become an international metropolis. Mr Wong encouraged students to learn from history and be grateful for the care rendered by the country and cherish every drop of water as it cannot be taken for granted.

The ceremony featured a variety of programme that included school performances, interactive games and a pledge to cherish water. All participants enjoyed a happy and memorable afternoon.
