

## Safety and Hygiene Guidelines

1. Follow team supervisor's instruction and perform the audit task accordingly.
2. Do not leave the team without permission.
3. Keep your voice down, do not disturb other facility users.
4. Do not run.
5. Do not play in the washroom.
6. Pay attention to the slippery floor.
7. Do not touch any heating devices (e.g. hot water tap).
8. Wash your hands before leaving the washroom.
9. Remember to turn off the taps after audit and keep the place clean.
10. School should provide disposable masks and plastic gloves to pupils if necessary.
