**Photo Reference**

<p>Water seepage from ceiling</p>	<p>Water seepage from external wall</p>
 A photograph showing significant water damage to a white ceiling. The surface is peeling, stained, and discolored, with some red pipes visible above.	 A photograph of an external wall with white plaster that is heavily stained and peeling, indicating water seepage. A red pipe is visible at the top.
<p>Rusted external pipes</p>	<p>Water seepage from external pipes</p>
 A close-up photograph of external pipes that are heavily rusted and corroded, showing a brown, flaking surface.	 A photograph of an interior hallway with pinkish walls and a white ceiling. There are visible water stains and signs of seepage on the ceiling and walls.
<p>Fire hose reel</p>	<p>Water hoses</p>
 A photograph of a red fire hose reel mounted on a wall. A sign next to it reads "FIRE HOSE REEL" and "消防水喉".	 A photograph of a water meter and associated pipes on a wall. A blue hose is connected to the system.
