'Let's Save 10L Water' Campaign Request Form for Flow Controllers

Flow controller for water tap

I pledge to participate in the "Let's Save 10L Water" Campaign in support of using precious water wisely. I also wish to request a pair of flow controllers for installation at the water taps in my home.

Name of Registered Consumer (please use the exact name shown on your water bill) *: _____

Account Number
(as shown on your water bill)* _____ (11 digit)

Contact telephone no.* : _____

Notes:

- (1) Please provide all the above information marked with " * " and carefully check the Name of Registered Consumer and Account Number to ensure that they are exactly same as that shown on your water bill. Incomplete or incorrect information may affect your application for flow controllers.
- (2) The above-mentioned flow controllers are applicable to common types of water taps used in Hong Kong. Nevertheless, if you are using water efficient water taps at home, installing the flow controllers may not make your water taps more water efficient.
- (3) Each participating domestic household is entitled to a pair of complimentary flow controllers once on a first come, first served basis whilst stocks last. If your application is successful, we will send a pair of complimentary flow controllers by post to the mailing address of your water bill within about three months in normal circumstances from the date of receiving your request form for the participating household's use.
- (4) All personal information will be used solely for the "Let's Save 10L Water" Campaign and kept confidential.
